P.C.

1. The learned Counsel for the Petitioner submits that the Petitioner in Contempt Petitio No.6 of 2006 has made some construction after the demolition was carried out by the Corporation and, therefore, he says that there is contempt of the Order, passed by this Court on 19th July, 1994.

2. It appears that it is a subsequent development and there is no question fo contempt of the Order of this Court. Petitioner may approach the Municipal Corporation for taking suitable action. The contempt petition is disposed of.
